Sistem de proiectie Stereografic 1970

This topographic map shows a coastal region with several contour lines. The map is oriented with North at the top. The coastline is on the left side, with the land area to the right. The map includes a grid of elevation markers (crosses) and contour lines. Two specific points are highlighted with yellow circles and labeled '0': one is located near the coastline at an elevation of approximately 8599, and the other is located further inland at an elevation of approximately 8600. The map also shows a road or path running along the coastline, and a small area of water or a bay on the left side.
