

410000 410100

Dispunerea Sectoarelor Cadastrale

The figure displays a map of a geographic area divided into numerous small, irregularly shaped parcels or sectors, all outlined in green. A single sector is highlighted with a solid red color, indicating a specific location of interest. The map is presented within a rectangular frame with coordinate values 410000 and 410100 visible at the top.

Racordare planșe

The diagram shows two maps, labeled 1 and 2, connected by a wavy line. Map 1 is enclosed in a red rectangular border. Map 2 is a separate, larger rectangle below map 1. The wavy line starts from the bottom right corner of map 1 and extends downwards and to the right, ending at the top left corner of map 2, indicating the boundary or contact zone between the two maps.
