The diagram illustrates a 4x4 grid of cells, numbered 1 through 14. A green irregular boundary outlines a specific region that includes cells 1, 2, 3, 4, 5, 6, 7, 8, 9, 11, 12, and 13. A red square is superimposed on the grid, covering cells 8, 9, 12, and 13. The corners of this red square are marked with red dots, indicating the vertices of the square region.
