A map showing the boundary of U.A.T. Poiana Blenchii, sector 9, from 1998. The boundary is marked by a thick green line. A white rectangular area is labeled '1998'. A small black cross is located near the top center of the map.

The diagram illustrates a boundary line separating two land-use categories. A blue line, labeled "Limita intravilan" (Intravillan boundary) in black text, runs diagonally from the top left towards the bottom right. A green line, labeled "Limita extravilan" (Extravillan boundary) in black text, runs diagonally from the top right towards the bottom left, intersecting the blue line. The area above the blue line is shaded light blue, representing intravillan land use. The area below the blue line is white. The area above the green line is white. The area below the green line is shaded light green, representing extravillan land use.
