

Sistem de proiectie STEREO 70

The map displays a complex arrangement of land parcels, each identified by a unique number. The parcels are generally rectangular or polygonal in shape, with some areas subdivided into smaller sections. A prominent green line runs along the top edge of the map, possibly indicating a boundary or a specific type of land use. The area is labeled 'LIVADA' at the top center. The map is bordered by 'PLANS 11' on the left, 'PLANS 13' on the right, 'PLANS 5' at the top, and 'PLANS 29' at the bottom. A yellow circle with the number '2' highlights parcel 2168, which is located in the upper-middle section of the map. The parcels are numbered in a way that suggests a systematic layout, with numbers ranging from 2049 to 2291. The map also shows a network of roads and paths, with some areas marked with crosshair symbols.
